

The Old Crocks Trial

On April 25th, 1914, 62 drivers started with their motorcycles (built up to 1906) to the maybe first vintage vehicle ride from London to Brighton.

With the “ Old Crocks Trial ” we`d like to remember this event.

We are proud to invite you to the “ 9. Old Crocks Erinnerungsfahrt “, a run for the real pioneers of motorcyle.

The linchpin is again the old wine-growing community of Westhofen.

The length of the route is about 50 km per day and is adapted to the performance of our old vehicles.

There will be given many stops with plenty of time for conversations.

Eligible are all motor vehicles up to 1906 regardless of whether two or three-wheelers.

The vehicles should be approved for road traffic. It may be possible to take out a daily liability insurance. If necessary, get in touch with us.

Staying overnight on the mobile home site is free.

But there are also a few B&B`s in Westhofen:
